This soulful, swinging CD has everything I look for: Finely crafted original music played with beautiful rapport and expert execution, which these days is all too rare. Enjoy.

– Jim Rotondi, *One for All/George Coleman Octet*

Will Campbell's debut CD is a wonderful reflection in flowing forward with tradition and individuality. He is a beautifully melodic player with his own unique harmonic flow and sound on the alto.

– Dick Oatts, *Vanguard Jazz Orchestra/Red Rodney Quintet*

Will Campbell's compositions and arrangements as well as his lyrical playing gives these excellent musicians a sense of clarity and direction. I enjoyed listening to every minute of this CD.

– Dennis Mackrel, *Dizzy Gillespie Alumni Band/Hank Jones Trio*
